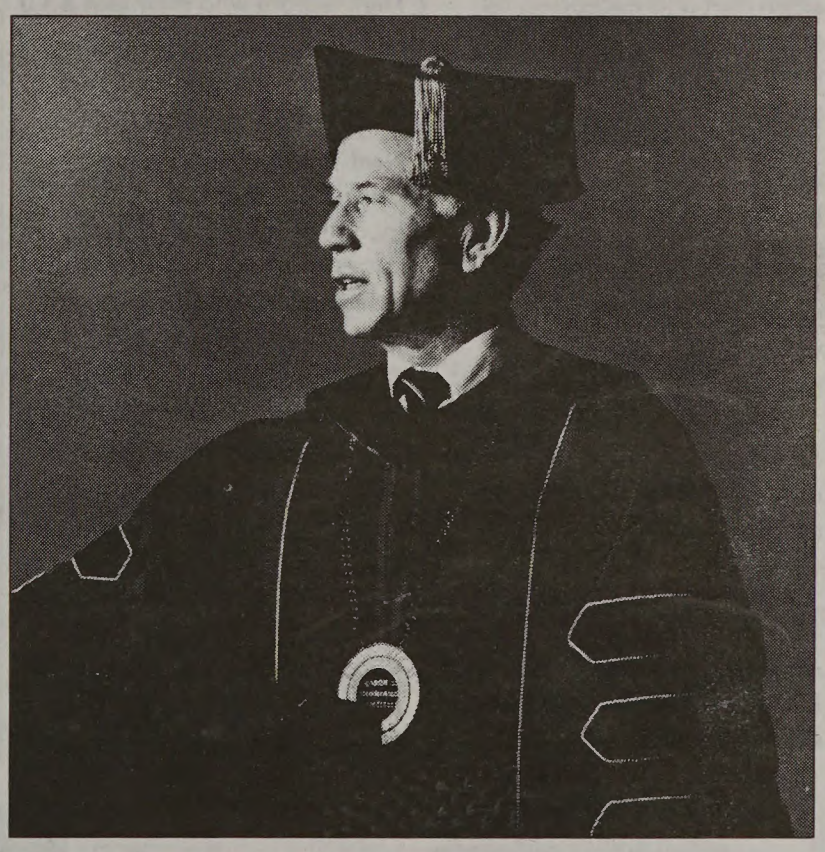
Financial Highlights

1990-91... *a year of steady fiscal growth for the College... Over $4 million in gifts, including $1.1 million added to the endowment. Gifts and transfers to the Annual Fund for Great Teachers and Scholars totaled over $1 million. Our 12th Endowed Chair was announced: the Charles T. Beaird Chair of Philosophy. And the Fulfill the Vision Campaign ends the 1990-91 year with $16.8 million in gifts and $4.1 million in pledges!*

If we have inadvertently omitted your name, please accept our apology. You may notify the Development Office, 318 / 869-5112; FAX, 318 / 869-5026. Financial information in this report is subject to final auditing and should be considered preliminary.



Dr. Webb retires as the 33rd President of Centenary College.

FROM THE PRESIDENT

DEAR FRIENDS:

I write with some sadness: in that I am retiring this summer, this is my last annual report to you. Having turned 65, with many things still to do – including some writing – I am anxious to get started.

But this is a healthy moment to turn over the baton; with the College on a firm footing, my successor will advance it to greater heights. Or, to use a more congenial metaphor: all being ship-shape, I can haul down my pennant confident there's a *bon voyage* ahead, under the new skipper.

For Renee and me, these fourteen years stand among the happiest and most deeply rewarding of our lives. We shall miss so much participating with you, in changing the history of this fine institution; we shall miss so much the (daily! and they were often 14-hour days!) tough challenges! But the friendships? We will enjoy them always.

To business: the 1990-91 academic year has been important. For example, the nine faculty members who joined us are of such quality as to make this a golden year for Centenary. The excellent Peters Building, and a superb Hurley music library – surrounded by the Lambert Memorial Garden – were built and incorporated into our life. Improvements in the dormitories, especially Rotary Hall, are pressed forward as a high priority, as are planning and funding the modernization of Mickle Hall and the acquisition of a Social Sciences Building.

These priorities themselves point to the peculiar success of the year: the "Fulfill the Vision" Campaign, started in 1988 with a Challenge Goal of $21.5 million, has now – two months ahead of schedule! – achieved $16.8 million in gifts and $4.1 million in pledges! These are tremendously encouraging results. The fact is, many gracious donors have designated their gifts for college causes which, while not listed originally as Centenary's priorities, were real needs; and thus we still have those priorities to work for. Press on!

The Velma Grayson Eminent Scholars Chair of Chemistry was filled felicitously, and our 12th endowed Chair, the Charles T. Beaird Chair of Philosophy, was announced with deep gratitude: Dr. Beaird is a 1966 alumnus and Adjunct Professor of Philosophy here.

Perhaps most gratifying of all is the fact that faculty salaries were this year – at last! – raised to a proper level.

All this, in face of a disastrous economy! All this, and still we balanced the budget (for the fourteenth consecutive year): helped by the most stringent economies, and a total of $1,120,837 in gifts and transfers for the Great Teachers-Scholars Fund. So that Time,Inc's *Money Guide Magazine* ranked Centenary 26th in the nation (in a list with Yale, M.I.T., Columbia, Duke and Princeton) for quality-per-dollar value.

So beside the inevitable sadness, I take heart in the progress we have made together since 1977. It has been a great journey. And there is much yet to do!

I cannot possibly express adequately, how grateful I feel to you all, for these years of support: trustees, alumni, the campus family, lovers of Centenary near and far, people of the churches, friends. Certainly, you – and our Alma Mater! – can count on my unstinting devotion in all the years to come.

Now, my faculty and staff colleagues have provided a magnificent computer and printer, and the students a multi-level desk and multi-adjustable chair: thanks, thanks, thanks, dear friends. I shall get to work immediately.

Sincerely,

Don Webb

Donald A. Webb
33rd President,
Centenary College

Staff Give Reports, Faculty Highlighted

The following staff reports summarize the administrative activities and highlight faculty achievements for the 1990-91 academic year.

Total Funds Given

A grand total of $4,041,154 in gifts was received during 1990-91. A total of $1,087,620 was added to the endowment including 265,103 in support of academic chairs; and 560,023 for scholarships.

Gifts to unrestricted operating funds totalled $1,394,475 of which $1,120,837 were gifts and transfers to the Annual Fund for Great Teachers and Scholars.

Operating scholarship gifts for the year added to $538,534, and $656,444 was given for new construction and renovations.

Annual Fund for Great Teachers-Scholars

Supporting the College's Fulfill the Vision Campaign, the Annual Fund for Great Teachers and Scholars once again met and exceeded its goal, while setting a new record in percentage of alumni giving.

A total of $1,120,837 in gifts and transfers to the Annual Fund made possible our 14th consecutive balanced budget. Tual Fund has raised $3,125,349 for the Fulfill the Vision Campaign since its beginning three years ago.

Gifts from 2,579 or 27.7 percent of all alumni broke Centenary's previous record of 26%, set in 1988-89.

New Scholarships

Alumni Class of 1941's Golden Anniversary Endowed Scholarship. For a worthy student.

Eloise Bell Campbell Scholarship. Preference given to male pre-med majors.

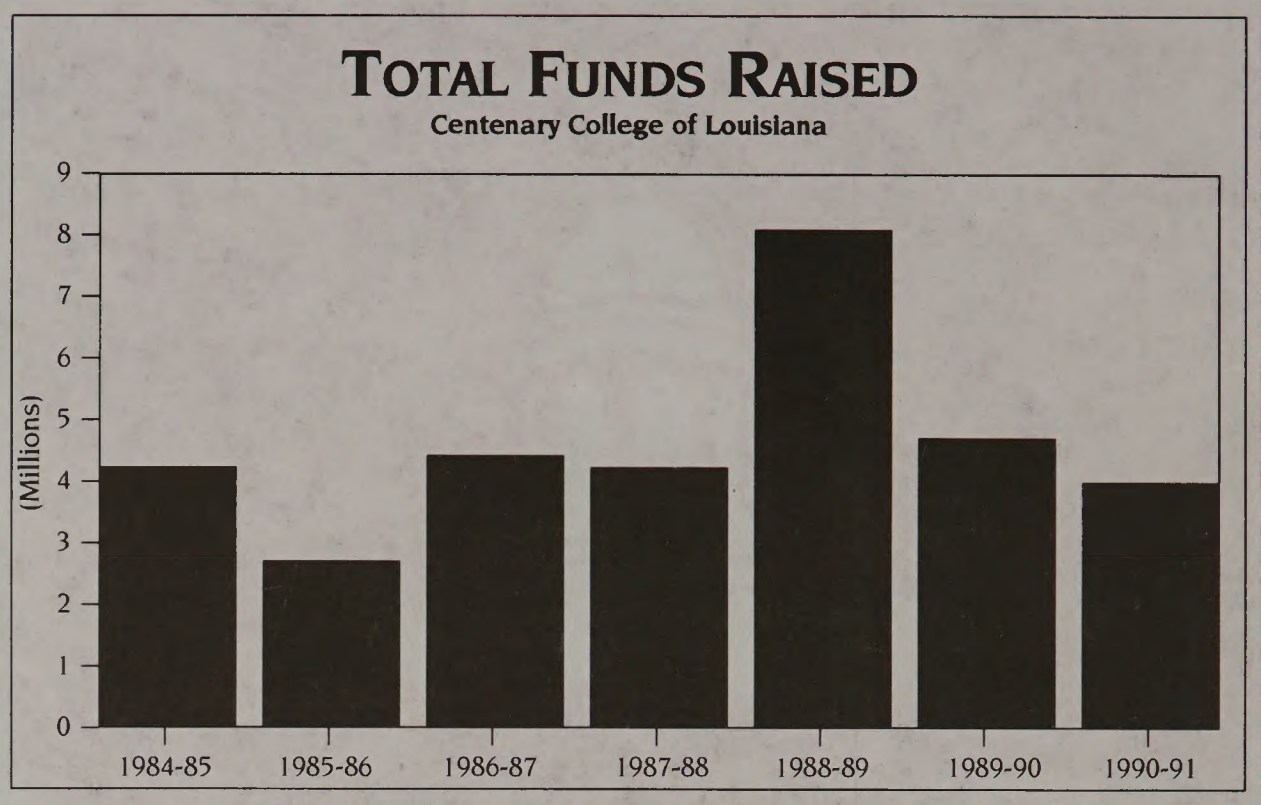
Former Employees of Brown-Roberts Endowed Scholarship. For students in the School of Church Careers.

Sophomore Patrick Axford and Dr. David Davies teach fifth graders about geology at the Red River Revel Arts Festival.



Faculty

Dr. George Newtown was installed as the first incumbent of the Centenary Chair of Liberal Arts at President's Convocation in September.

Dr. Stanton Taylor, at Founders' Day Convocation in April, was installed as the first incumbent of the Velma Davis Grayson Chair of Chemistry.

Dr. Earle Labor received the award of Honorary Life Membership at the annual conference of the College English Association in Buffalo, NY, for "extraordinary and sustained service to the Association and the Profession."

Dr. Stephen Clark gave a paper on aspects of the imaginary voyage in Homer's *Odyssey* at the World Odyssey Conference in Sicily, Italy.

Dr. David Davies used funding from a National Science Foundation Grant to take two students to study Louisiana's endangered wetlands in conjunction with LSU and the Louisiana Universities Marine Consortium.

Maj. Miles Hitchcock '71 was called up for active duty during Desert Shield and Desert Storm. He served as a member of the 4013th U.S. Army Garrison Reserve Unit at Fort Polk, La.

Dr. Austin Sartin '59 was named an Honorary Member of Sigma Gamma Epsilon, one of only 17 persons who have earned such an honor. He was also named a Fellow in the National Geological Society of America, the highest honor the organization bestows.

While working on his book, *Edwin Rolfe: A Biographical Essay and Guide to the Rolfe Archive at the University of Illinois at Urbana-Champaign*, **Dr. Jeff Hendricks** '75 discovered unpublished Hemingway letters in the attic of Rolfe's widow. Jeff has received a Fulbright scholarship for 1991-92; he will be in Aarhus, Denmark.

Dr. Barrie Richardson was named a winner of the 1990-91 Sears-Roebuck Foundation Teaching Excellence and Campus Leadership Award for the teacher who has made a difference in the teaching climate of the college.

Dr. John M. Peek presented a paper on "The Struggle for Women's Rights in Contemporary Japan" at the annual meeting of the Southwest Political Science Association and a paper on "Japan and the International Bill of Rights" at the annual meeting of the Louisiana Political Science Association in New Orleans. His review of *China Misperceived: American Illusions and Chinese Reality* appeared in *Social Science Quarterly.*

Dr. Ronald E. Dean's illustrated article, "The History and Restoration of the Pilcher Organ in the Scottish Rite Temple, Shreveport, Louisiana," has been published by the Organ Historial Society (Volume 35, Number 1, 1991) of its official quarterly journal, *The Tracker.*

Dr. Rodney Grunes, regular contributor to *The Shreveport Journal* editorial page and popular speaker in Shreveport-Bossier, presented a six-week series on "The Rehnquist Court: The Justices and the Bill of Rights." Dr. Grunes' article, "Lobbying the Supreme Court: Reagan's Solicitor General and the Establishment Clause" appeared in the March, 1991, issue of the *Midsouth Political Science Journal.*

Dr. Lynn Holt has published an invited contribution, "Avoiding the Analytic Assumption in the Theories of Practical Rationality: A Meta-theoretical Note," in the journal *Contemporary Philosophy.* In addition, he has published two book reviews in the latest issue of the journal *Teaching Philosophy.*

Dr. Michael Johnson published two articles in *Perceptual and Motor Skills*: "A Study of Humor and the Right Hemisphere" and "Speed of Mental Rotation as a Function of Problem-Solving Strategies."

Professor William Teague participated in the consecration of the Washington Cathedral in Washington, D.C., and in the consecration of Jerry Winterrowd '59, Bishop of the Episcopal Diocese in Denver, Colorado. He is serving as the organist for the Kennebunkport Episcopal Church for the summer, 1991.

Constance Carroll served on the faculty of the Brevard Music Center in Brevard, N.C. She has also been appointed chairperson of the collegiate auditions for the Louisiana Music Teachers Assocation.

Dr. Frank Carroll is serving as national chairperson for high school theory for the Music Teachers National Association.

Dr. Harold Christensen's Center for Economic Education administered a $22,700 grant awarded to the Caddo Parish School System for a pilot program in careers and making choices.

Dr. Beth Leuck, along with Hsien Yu Cheng from National Taiwan University, and former Centenary student Kent Hughes, authored a paper, "Social Displays of Experimentally Paired Dwarf Geckos (*Sphaerodactylus clenchi*)" that appeared in the *Journal of Herpetology.* In addition, Dr. Leuck wrote the lead article for the first *Newsletter of Data Simulations in the Life Sciences* on how she uses computer simulations in her animal physiology course.

Enrollment

Due to a 22% increase in the number of graduate students, total enrollment for the Fall

was up very slightly over last year's Fall enrollment. There were 795 undergraduates, a decrease of 7% over last year's 849 undergraduate students, and 333 graduate students, a 22% increase over last year's total of 273 graduate students.

The number of undergraduate students registered for the Spring Semester was 738, down 8% over last year's total, and the number of graduate students was up 4.6% from 307 students last year to 321 students this year.

The decrease in undergraduates is attributed to the decline in the number of 18-year-olds, and the increase in graduate students is attributed to the growing reputation of the graduate programs: geology, education, and business administration.

The average ACT score of entering freshmen is 23, compared to the national average of 20.6.

Financial Aid

Some 625 students (81%) were awarded financial aid in 1990-91. Those students were awarded $2,354,332 from 1353 Centenary College scholarships and $1,011,136 from federal sources, including loans. A total of 219 students were placed in work-study programs.

Athletics

1990-91 proved to be another banner year for the Centenary Athletic Department both on the field and in the classroom. Over the last three years, Centenary has competed in six of nine Trans America Athletic Conference Championship games in soccer, basketball, and baseball. The Centenary women continue to be tough as well, with the Ladies tennis, softball, and gymnastics squads all earning a berth in their national tournaments. While Centenary student-athletes were playing well on the field, they were also receiving excellent marks in the classroom... as a combined grade point average of 3.04 during the spring semester attests.

1990-91 proved that the Centenary Athletic Department is one that is hard to beat in every sport:

Soccer – 15-6 (W-L), became the TAAC's first school ever to win **three consecutive league Championships** in soccer as a result of the Gents' 2-1 win over Georgia Southern... ranked in the top 10 of the Midwest Region for the fifth straight year.

Basketball: 17-12 overall, 10-4 in league play... TAAC Regular Season Runner-up.

Baseball: 28-23, TAAC Western Division Runner-up... made fourth straight appearance at the conference tournament... defeated NCAA-power Oklahoma State 15-11.

Tennis Ladies: went 9-5 during the regular season and finished fifth at NAIA nationals.

Tennis Gents: finished 7-10 overall, placed 7th in TAAC Championships.

Gymnastics: 4-4 dual meet record, finished 10th at the USGF Nationals.

Softball: posted finest season in school history finishing the year 36-22... received first-ever bid to NAIA Nationals and won their first NAIA District 30 trophy.

Golf: Gents competed in 9 tournaments on the year... finished a respectable 5th at the TAAC Championships in DeLand, Florida.

Cross-Country: Gents were 6th of eight teams at TAAC Championships. Ladies ran in six fall meets.

Volleyball: 12-13 overall... fared 12-8 versus NAIA competition.

Riflery: Both the men and women's rifle teams competed in sixshoots this year.

Dean of Students

Twenty-one members of Centenary's newly established Student Foundation participated in Summer Orientation '91. After training in the dynamics of small group techniques, the upperclassmen led small groups of new students through the program.

Three ad hoc committees functioning out the Dean of Students' office accomplished new programming goals during the year. The Safety and Security Awareness Committee, now in its second year, used twelve topics in published media for heightening awareness in the campus community. The committee providing leadership for the Series on Academic Success sponsored seven activities adding a variety of topics and skills for all students. United Campus Ministries, operating with a student chair this year, provided a united effort in programming in the area of religious interests.

Numerous students were called upon in developing plans for the renovations completed in Hardin Hall and Rotary Hall. Rotary planning included three study rooms and the lobby modifications. Women in Hardin provided insight for the decorating and renovation plans completed in the lobby.

Centenary students enhanced their leadership and programming skills through delegate participation in the National Association for Collegiate Activities Conference held in Austin, Texas, and in the Collegiate Leadership Conference held in Bossier City, Louisiana. Many ideas and activities were implemented on the campus. Numerous events like Fall Fest, Spring Fling, New Year's in November, Spirit Week, and other activities were the highlights of campus activities in the year. Intramurals and Extramurals gave many students opportunities for campus involvement. The Extramural teams in basketball and football placed first in city-wide competition.

Church Relations

The Office of Church Relations serves as the link between the College and its alma mater, the United Methodist Church. In 1990-91, the Office of Church Relations provided the following services:

- Hosted dignitaries, Church officials, donors and guests at the dedication of the Samuel P. Peters Research Center, a new building which houses the United Methodist archives wing.
- Hosted the regular fall meeting of the Church Council.
- Hosted the Louisiana Annual Conference, the Louisiana Conference District Youth Teams, the Gulf Region School of Missions, the South Central Jurisdiction Congress of United Methodist Men, Pastor's School, The Louisiana Conference United Methodist Women's School of Missions and a workshop for the Jurisdiction United Methodist Women.
- Visited over 50 United Methodist churches in Louisiana and presented Bishops Honor Roll certificates to 28 churches who provide scholarships to Centenary College.
- Completed the Church Friends Division of the Fulfill The Vision Campaign.
- Assisted the College Development staff in hosting the annual Scholars-Donors Luncheon.
- Hosted two Ministerial Fellows, the Rev. James Jones and the Rev. Lewis "Jake" Olmstead.

Alumni Relations

The Office of Alumni Relations serves alumni and former students all over the globe. Among the programming for the 1990-91 year were:

- Senior Appreciation Luncheon for graduating seniors and their parents, co-sponsored with the Centenary Muses.
- 163rd Homecoming
- 1990 Alumni Directory
- CAPPA Program, Centenary Alumni and Parents Program for Admissions
- Career Fair, co-ordinated by the Career Planning and Placement Center

Fulfill the Vision CAMPAIGN

Two important announcements were made in the Summer of 1990: the completion of Phase I of the Fulfill the Vision Campaign and the announcement of the kickoff of Phase II with maverick businessman Ross Perot as the speaker.

With some $13 million raised, the base goal of the Campaign was reached. It included funds for a state-of-the-art music library, $2.3 million in additional endowed and operating scholarships, two more endowed chairs, and a new building combining facilities for literature and Methodist archives.

Phase II of the Campaign was set with a goal of $8.5 million, and it was announced that Texas billionaire H. Ross Perot would speak at the Gold Dome to kick off the fundraising. Phase II Chairmen included Edwin C. Harbuck '56, Edward J. Crawford III, George Nelson Jr., Cecil Ramey '43, Stafford Comegys '82, Dr. Charles Knight '41, and Dr. Michael Mann '63.

Milestones in the Campaign included the announcement of $750,000 raised for the renovation of Mickle Hall and $125,000 for the renovation of Rotary Hall lobby in honor of Renee Webb.

A detailed account of the Fulfill the Vision Campaign will appear in the Fall issue of *Centenary Today*.

Public Relations

Readership of *Centenary Today*, the award-winning newsletter for alumni and friends published by the Office of Public Relations, has increased from 12,000 to 14,500 readers throughout the world.

National and regional media coverage continues to increase with coverage in *The Chronicle of Higher Education*, *Money Guide Magazine*, U.S. *News & World Report*, *Louisiana Life Magazine* and numerous regional and local media.

The Office of Public Relations assisted with special college events, among them:

- Ross Perot's visit to campus and other special events in the Fulfill the Vision Campaign
- Fourth Annual Friends of Centenary Book Bazaar
- Media Luncheon with Pulitzer-Prize winning reporter, Craig Flournoy
- Second Annual Leadership Conference
- Campus Improvement Projects including the Lambert Memorial Garden and the Betty Labor Scholars Garden
- Centenary Page for *Louisiana United Methodist Reporter*
- Eudora Welty Study series sponsored by The Centenary Muses
- Special events for Eudora Welty during Commencement

Diverse Events Energize Campus

The campus was energized with many outstanding special events and activities during the 1990-91 academic year. Following are highlights of the major events.

Search For A New President

Trustees Charles Ellis Brown '48 and Richard Ray '37 are co-chairing the Search Committee formed in January, 1991, to find the 34th President of Centenary College. The new President will follow Dr. Donald A. Webb, who, in December, 1990, announced his retirement effective June 1, 1991. Other members of the Presidential Search Committee are William G. Anderson '88, Dr. Nancy M. Carruth; Ed Crawford; the Rev. Ken Fisher '70; Dr. Dorothy B. Gwin; Dr. Austin Sartin '59; Virginia Shehee '43; and Dr. Robert Ed Taylor '52. Ex-officio members include Bishop William Oden; George D. Nelson; J. Hugh Watson; Andy Shehee '77, Mark McCrocklin '85, and Heath Elliott '92.

Many outstanding applications were received during the spring and early summer. The Committee will bring three candidates to the campus for interviews in July and August.

The Centenary Plan

A team of faculty, students, trustees, and staff members have created a bold, new plan which will shape and direct the College so that it will be even more exciting and meaningful for future generations. The first phase, to be implemented with incoming freshmen in 1992, will provide common experiences in voluntarism, intercultural study, and career exploration. All students will be involved in at least one approved community service project over their four years. All students will have at least one experience in living and learning in a different culture, and all students in their sophomore year will be involved in an assessment program which will help guide their career decisions.

Ross Perot

One of America's boldest and most inspiring entrepreneurs, Ross Perot, launched Phase I of the College's $21.5 million Fulfill the Vision Campaign with a public appearance Thursday, Sept. 13. The Gold Dome was filled to capacity with over 3,000 Ark-La-Texans to hear the maverick businessman who told his audience that success is being the best at what you are. His visit was coordinated by Bill and Imogene Murphy, longtime friends of Mr. Perot.

President's Convocation

Invigorating the liberal arts with inventive thinking and insistent questioning is one of the roles of Dr. George Newtown, who was installed as the first Centenary College Professor of Liberal Arts. The ceremony took place during President's Convocation Thursday, Sept. 13, at 11 a.m. in Brown Memorial Chapel. The Chair of Liberal Arts was established in the Spring of 1989 to co-ordinate and nurture liberal arts studies at Centenary College.

Gladys Hurley Memorial Music Library

The formal dedication of the new Gladys Hurley Memorial Music Library took place Thursday, Oct. 11, at 11:30 a.m. with a ribbon-cutting and open house. A gift of the Hurley Foundation, the 2500-square foot space for music study is one of the most innovative environments on campus and a unique asset to a college the size of Centenary.

Gordon Lambert Memorial Garden

Adjacent to the new Music Library is a patio and garden built in memory of longtime Shreveport businessman and friend of the College, Gordon Lambert. The garden was dedicated Thursday, Oct. 11, in a late-afternoon ceremony attended by hundreds of friends from throughout the Ark-la-Tex.

Samuel P. Peters Research Center

On a balmy day in November, the Samuel P. Peters Research Center was dedicated to serve as a center for American literature and United Methodism in Louisiana. The construction of the 8200-square-foot building, funded by Mr. Peters and the United Methodist Church, is part of Centenary's Fulfill the Vision Campaign.

Media Luncheon

Craig Flournoy, Pulitzer-prize winning investigative reporter for *The Dallas Morning News*, spoke at President Webb's annual Luncheon for the Media Tuesday, Sept. 4. The event, co-ordinated by The Centenary Muses, gives the President an opportunity to thank members of the local media – print and broadcast – for their coverage of Centenary during the year.

National Recognition

Centenary offers a lot of education for the dollar, concludes *Money Guide Magazine* which ranked the College 26th for our education/dollar value in a list of 100 private colleges including Rice, Yale, Columbia, MIT, Baylor, Duke and Princeton.

For the second time in five years, Centenary was listed in *U.S. News & World Report's Special College Issue*. The well-respected report listed Centenary among some 140 top national liberal arts colleges.

Centenary was also selected as one of the nation's 300 most cost-effective colleges by Barron's, and for the sixth consecutive year, the College has been included in *Peterson's Competitive Colleges*, a widely respected guide to colleges and universities.

Elderhostel

Eighteen senior adult learners from eight states came to Centenary's first ELDERHOSTEL, held in May, and hosted by the College's Senior Adult Education Program. Among the courses was one offered in Louisiana Literature including works by Centenary alumnus, the late Bill Corrington '56.

Academic Index on InfoTrac

What used to take hours now takes seconds in Centenary's Magale Library, thanks to a new computer system, ACADEMIC INDEX on InfoTrac. The state-of-the-art technology allows patrons in seconds to search three years of issues of more than 375 magazines and the most recent six months of *The New York Times* for articles.

Scholarship Day

Hundreds of high school seniors from throughout the South participated in Scholarship Day, Feb. 18, when they interviewed and competed for hundreds of thousands of dollars in merit scholarships. Some 76% of all students at Centenary receive financial aid totaling in excess of $2 million.

Leadership Conference

The second annual Leadership Conference, hosted by the Frost School of Business and led by Dr. Robert Brewer, brought 57 men and women to campus. The event included a half-day workshop followed by a luncheon with Leadership Conference alumni. Participants – representing a broad cross-section of the community as well as faculty and students – explored leadership styles and performance.

National Science Foundation Award

Larry Layfield '91 was one of 16 students selected from a pool of 200-300 students from throughout the country to be awarded an NSF Summer Internship at Carnegie Mellon. A chemistry major with a minor in biology, Larry will continue his education at the LSU Dental School as a James and Elizabeth Conner Fellow.

English Language Center

Centenary's English Language Center was re-opened for a group of Taiwanese students who came to the United States for a year of intense study of English in preparation for enrollment in a college as regular international students. The program is open to all nationalities and helps fulfill part of Centenary's Credo which states "Our student population will be cosmopolitan. There will be a rich diversity of persons from different cultures, areas, and age groups."

Kappa Alpha Psi

The Xi Alpha Chapter of Kappa Alpha Psi, a national black fraternity, was formed by seven Centenary students and became the 337th undergraduate chapter in the United States. Charter members of the Centenary chapter plan to work in the community, especially with youth.

50th Anniversary Centenary College Choir

Plans are underway for celebrating the Choir's 50th Anniversary during the1991-92 academic year. Alumni from all over the globe will participate in "Rhapsody in View" in November, and an Alumni Choir Tour of Europe is planned for next summer. A book highlighting the Choir's distinguished history with photos and narrative will be for sale.

Aarhus Exchange Professor

Professor Michael Skovmand of the University of Aarhus, Denmark, changed places – cars, house, pets! – with Centenary Professor David Havird for a semester of teaching, study, and travel. The exchange program is also available to students.

KA Centennial

Morgan Matthews Jr. '79, Bob Mayo '50, Jim McClelland '81, Richard Liles '82, Alan Yokem '83, David Henington '82, Wayne Crank '78, Mark Gragg '93 and Alec Van Hook '93 began their work for the KAs 100th anniversary. The weekend event September 13-15, 1991 will include an Open House, luncheon, and dinner-dance.

Founders' Day

Dr: Stanton Taylor was installed as the Velma Davis Grayson Professor of Chemistry at Founders' Day Convocation Thursday, April 11. The Grayson Chair was established in 1989 with a bequest by Mrs. Grayson which was matched with funds by the State of Louisiana Eminent Scholars Fund.

May Module

Five of the 13 May Modules were closely coordinated to take a look at some of the pressing contemporary issues relating to the environment. May Module courses, whose topics vary from year to year, are concentrated studies of topics not normally offered during the regular academic year.

Outstanding Teacher

Dr. Sam Shepherd, Associate Professor of History and Political Science and Chair of the Department, was voted outstanding professor. "History is full of human drama and should be exciting. I hope it's exciting for my students."

Alumni Hall of Fame

The Centenary family was shocked and deeply saddened with the sudden death of Jimmy Patterson '40, who had been inducted into the Alumni Association's Hall of Fame only one week before. Jimmy, a trustee and past president of the Alumni Association, was also an active member of the Gents Club and several alumni committees.

Honorary Alumna

Dorothy Bird Gwin, a member of the Centenary faculty for 30 years and Dean of the College for 11 years, was recognized as the College's newest Honorary Alumna at the annual Homecoming Awards Dinner Friday, Feb. 22. Dr. Gwin began teaching night courses at Centenary, eventually becoming a fulltime professor and Chairman of the Education Department, Chairman of the Psychology Department and Dean of the College.

Athletic Hall of Fame

Hal Sutton '80 and the late Thomas "Dutch" Binion '28 were inducted into the Centenary Athletic Hall of Fame during halftime ceremonies at Homecoming Saturday, Feb. 23. Dutch Binion was a three-sport standout in basketball, baseball, and football. Hal Sutton dominated collegiate and amateur golf during his tenure at Centenary, and has earned many awards and international recognition as a professional golfer.

Betty Labor Scholars Garden

Graduate students in the Executive MBA Program gathered last spring on the porch of Jackson Hall to dedicate a garden in memory of Betty Labor, secretary in the Frost School of Business and wife of Professor Earle Labor. Red maple trees, pots of geraniums, and English-style benches, handmade of Louisiana cypress, decorate the porch which serves as a gathering spot for students. Dr. Barrie Richardson, Dean, read the plaque: "I dare you to love this College as much as I do. Betty Garrett Labor."

Commencement

One of the South's "national treasures," Pulitzer Prize-winning author Eudora Welty, read her short story, "A Worn Path," at Centenary's 166th Commencement Exercises Saturday, May 4. Miss Welty and retiring President Donald A. Webb were awarded honorary Doctorate degrees, and some 238 students were awarded undergradute and graduate degrees. Kristen Marie Martin of Longview, Texas, graduated with a perfect 4.0 grade point average.
